

Care Link

Personalised travel for those
with social care needs.

01709 517100

www.rotherhamct.org.uk

“Care Link” is a Door 2 Door Service operated by Rotherham Community Transport for people with Social Care Needs who need regular travel arranging as part of their personal care activities.

Rotherham Councils new personalisation of Care and Support

Now means you can receive a service designed especially for you, allowing you to be part of your local community and experience the friendship and care that can come from families, friends and neighbours
