**“Door 2 Door services are vital for many who would otherwise be housebound. South Yorkshire Integrated Transport Authority is proud to support Door 2 Door as a key part of our transport network.”**

Cllr Jameson - Chair of the South Yorkshire Integrated Transport Authority

## The service

No matter what age you are, if you find it difficult to use standard public transport then you can apply to use a Door 2 Door service instead.

Each service will pick you up from your home and can take you around your local area and beyond.

Door 2 Door is great for meeting new people, making new friends and being able to visit places you couldn't get to before.

For example, if you want to travel to the town centre or a local supermarket, Shopper Bus is the best service for you. It offers transport from your home at certain times and on set days. Please see the timetable on page 13 in this leaflet for details of journeys from where you live.

If you need to travel at a particular time, and to a destination not available on Shopper Bus (for example, if you are visiting a friend in hospital, or travelling to an evening class) then our Dial-a-Ride service will suit your needs better.

You can travel outside the district by using the Community Car Scheme, which is provided by volunteers using their own vehicles, and the Dial-a-Link service.

Also offered are Care Link journeys, for people with social care needs who need regular travel, and Hospital Link, for patients or visitors travelling to Rotherham General Hospital.

Bus Club journeys are available for people with a learning disability who need transport to recreation or social activities.

Door 2 Door services aren't just for individuals. If you are a member of a group that wants to use a minibus, you can use the Group Travel scheme.

## How do I register?

If you think Door 2 Door can help you get out and about, registering is easy and free. Just call 01709 517 100. Once you are registered with the service, you will be able to make future bookings by phone.

"I come to the lunch club because it gets me out. We play bingo and have a raffle. The minibus is a great help, otherwise I probably wouldn't go."

G Waths – Door 2 Door service user

## Booking

All Door 2 Door services require advance booking. Your Door 2 Door operator will do their best to accommodate all bookings, but availability is limited and sometimes not all requests can be met.

You can book your journey with Rotherham Community Transport by calling **01709 517 100** between **0900** and **1600** Monday to Friday, and between **1000** and **1400** on Saturdays.

When booking, you will need to tell us the following details:

- Your name
- The date and times you want to travel
- Where you want to be picked up and dropped off
- If you need space for a companion, or if you need to travel with an assistance dog.

### Being Flexible

Because of demand for Door 2 Door services, the more flexible you are with your days and times of travel, the more likely we will be able to take you. Let us know how flexible you are when you make your booking.

### How to cancel a booking

If you find you need to cancel your journey all you need to do is contact us by calling **01709 517 100**. This allows us to offer the journey time to somebody else.

## Before you travel

Before you travel, you may have other concerns or questions that you would like more information on.

### Travelling with someone

Door 2 Door is not limited to those who have difficulty travelling. If you have a relative, friend or carer who you would like to travel with you, they can also use the service. The same fares apply to the person that travels with you.

If you need to be accompanied by an assistance dog when you travel, please let us know when you book. Assistance dogs are welcome on Door 2 Door services and travel free of charge, but other dogs are not carried.

### Standing and smoking

Smoking is not allowed at any time on Door 2 Door vehicles. Standing is not allowed while the vehicle is moving.

### Luggage

Please be considerate to other users with the amount of shopping or luggage you take onto a Door 2 Door service. The amount of luggage or shopping that can be carried is at the discretion of the driver.

## Customer Care

### Our vehicles

All minibuses operated by Door 2 Door allow easy access, and can carry most wheelchairs and some mobility scooters. When registering please ask if your wheelchair or scooter is suitable. All Door 2 Door buses are fitted with wheelchair securing systems to enable users to stay in their wheelchair for the journey. Mobility Scooter users will be expected to use a standard seat and seat belt, and their scooter will be carried separately.

### Our drivers

All Door 2 Door drivers are trained to the requirements of the nationally recognised Minibus Driver Awareness Scheme and are fully checked through the Disclosure and Barring Service.

Drivers can provide assistance to and from the passenger's door, and all our paid drivers are trained in First Aid.

## Helping Out

### Becoming a volunteer

If you would like to help provide Door 2 Door services, volunteer drivers are always welcome. There are opportunities to drive minibuses or your own car. Full training is provided and out-of-pocket expenses are paid. If you are interested contact your local Door 2 Door operator.

“The bus means a lot to Wayne, it means he is able to go out every day and it has done a lot for his confidence. The drivers are really good, and when you book the reception staff are very polite and helpful. They always try their best to get Wayne to where he wants to go at the times he likes.”

Sue Turton – the carer of a Door 2 Door customer
